**REVIEWED**

## Scope of Work and Conditions of Contract

**Internet Leased Line Connectivity at Transformers and Electricals Kerala Limited  
(TELK), Angamally south, Ernakulum,  
Kerala**

**1. Introduction**

TELK has a plan to install 50 Mbps symmetric Internet connectivity Leased Line (OFC) (1:1 uncompressed and unshared) to be installed at Transformers and Electricals Kerala Limited (TELK) campus located in Angamally South, Ernakulum, 683573 on rental basis.

**2. Scope of Work & Engagement Period**

To provide 50 Mbps Internet leased line symmetric connectivity on uncompressed, unshared leased line (OFC) (1:1) at TELK on rental basis. This includes installation, commissioning, testing & upkeep of the complete link for two years and can be extended by one more year on same terms and conditions. Initial engagement will be for two years only. The connectivity will be through dedicated Internet service. The hardware and software required for the establishment of fully functional leased line will be provided by the bidder on rental basis. The minimum guaranteed bandwidth to be taken from the successful Bidder is 50 Mbps.

**3. Pre Qualification Criteria**

MANDATORY – Tenderers not meeting these criteria will not be considered

- 3.1 The bidder should be having a valid Category “A” ISP license from Govt. of India (Attach a copy of license).
- 3.2 The bidder should not be under liquidation, court receivership or similar proceedings should not be bankrupt. Bidder to submit undertaking to this effect with bid.
- 3.3 The bidders should have Direct / toll free number to register complaints round the clock (24x7), Maintenance support service (24 hours and 7 days a week) (Attach Certificate)
- 3.4 The bidder must provide documentary evidence of experience in provisioning of similar services during the last three years. During this period, the bidder should have provisioned or be running similar services (50 Mbps or higher ILL) for at least three clients (Attach necessary supporting Documents like PO/Performance Certificate during the last three years as on 31.01.2025).

**4. Specific Conditions**

- 4.1 In case of any conflicts, specified terms & conditions as mentioned in this tender document shall prevail.
- 4.2 A list of existing local enterprise customers of Internet Bandwidth (50 Mbps or more) should be provided along with feedback.
- 4.3 The bidder would ensure that the local loop provisioning does not violate regulations as laid by Government of India/TRAI in respect of such links/networks. Bidder will be responsible for making all the payments towards the local loop charges/rentals/WPC charges, etc.
- 4.4 Liaisoning (if required) with other firm/agency for obtaining point to point connectivity between ISP node and TELK shall be the responsibility of quoting firm
- 4.5 TELK reserves the right to carry out client service feedback and/or capability assessment of the bidder and the decision of TELK shall be final in this regard. A negative assessment may lead to discarding of bids from consideration in this tender.

## Scope of Work and Conditions of Contract

- 4.6 The initial engagement shall be for a period of two years and subject to renewal on satisfactory service. The service shall be automatically deemed to be discontinued after the initial engagement period of two years unless explicitly extended by TELK through official communication. This does not preclude prior termination of service in case of recurring service disruptions which the chosen ISP is unable to address within the agreed SLA.
- 4.7 Bidder shall visit TELK, Angamally prior to tender submission and quote for overhead cabling connectivity and additionally bidder shall provide an optional quote for underground cabling. The connectivity must terminate at the TELK Server room. Any underground cabling work must be confined within the TELK campus, specifically from the TELK entrance at NH Road to the TELK server room.
- 4.8 TELK will evaluate both overhead and underground cabling quotes during the tender evaluation process and reserves the right to choose the most suitable option at its discretion.
- 4.9 Bidder shall arrange a trail run of the proposed internet connectivity for 5 Days after award of the work order. WO Acceptance of connectivity shall be communicated after this trail run. To facilitate acceptance, the complete data must be provided as per Clause 9 of Annexure - 1 during the trail run time period. If not satisfied, TELK will terminate the WO.

## 5. Price Schedule

Sl No.	Item details	Unit	Rate (in Rs.)
1	Band Width charges or Annual Port Charges for 50 Mbps of Internet Bandwidth (OFC) (1:1 uncompressed and unshared) from TELK to ISP	For First Year	1 No
		For Second year	1 No
2	Local Loop charges	One time Installation & Configuration charges for overhead cabling and connectivity	Lump sum
		Optional Cost for Underground cabling & connectivity up to TELK server Room.	Lump sum
		Any other charges (To be specified)	

- (a) TELK will not purchase any hardware /software and selected bidder will have to provide all the required hardware/software on rent to make the leased line network fully functional as per specification
- (b) TELK will not be responsible for any kind of damage of hardware / software mentioned above. All these items shall be in complete maintenance warranty of the successful bidder/ISP.

## Scope of Work and Conditions of Contract

**6. Schedule of Payment**

Bandwidth charges are payable post quarterly after raising the bill by the successful ISP. For this ISP will raise the bills at least fifteen days in advance before the end of the each quarter. Due payment will be released within 45 days of submitting the bills after certification by the Engineer in Charge of the Contract.

No advance payment shall ordinarily be made. One time charges will be paid fully along with the first quarterly recurring payment.

ISP will be responsible for making payments related to WPC and other clearance charges, if any. TELK will not pay any amount to WPC or any other agency directly for any purpose related to commissioning or rental of leased line.

**7. Responsibilities of ISP**

The ISP would be responsible for the following:

- (a) To provide 50 Mbps Internet connectivity (Leased Line) at TELK, Angamally South, Ernakulum on rental basis.
- (b) Internet Router Port at ISP Gateway for required Bandwidth and required number of Public IP addresss.
- (c) Implementation of BGP with TELKs AS number and IRINN addresses.
- (d) Supply, installation, commissioning, configuring & maintenance of the link and all associated hardware/software (Mux, Modems, Router etc.) needed to make the line fully functional.
- (e) Maintenance support service (24 hours and 7 days a week) for Bandwidth and equipment.
- (f) ISP or authorized person from ISP will be required to sign Service Level Agreement.
- (g) Either party may terminate the contract after giving one month notice.
- (h) In case of the above parameters going out of specifications, TELK will be compensated adequately in respect of the extended time for the loss of hours in service. Also, if services are not found satisfactory, TELK reserves the right to terminate the services with one month notice.

**8. Installation & Commissioning**

- a. The successful bidder should take all care to complete the awarded work within three weeks from the date of issuance of purchase order.

**b. Delivery Period, Installation & Acceptance of Link**

The delivery period of the said tasks/services should be adhered to as will be mentioned in the Award of Contract.

The services shall be deemed to commence on the actual date of link activation for internet traffic. Acceptance of link shall be communicated upon monitoring for at least five days post link activation. To facilitate acceptance, the complete data must be provided as per Clause 9 of Annexure - 1.

- c. **Sub-contracting or sub-letting:** The bidder is prohibited from sub-contracting or sub-letting of the work to any other agency for providing internet leased line services to TELK.
- d. **Warranty:** The Bidder will be responsible for the comprehensive maintenance for the entire period during which services are provisioned at TELK. Warranty period will start after the acceptance of installation & testing of complete connectivity. Bidder will

## Scope of Work and Conditions of Contract

rectify or arrange temporary replacement of faulty hardware as and when needed within the timelines of the applicable Service Level Agreement.

### 9. Service Level Agreement

- a) 50 Mbps Internet bandwidth at all the time.
- b) Packet Losses: Less than 1% (Average over 500 ping) at any given point of time to any part of globe.
- c) Latency: Less than 280 ms from TELK to ISP's tier 1 peering point.
- d) Network Availability: More than 99.5 % per quarter. Penalty for not meeting the SLA uptime shall not be applicable in certain unavoidable circumstances and shall be decided on a case by case basis.
- e) The quarterly average mean time to repair (a) for total disruption in service shall be four hours; and (b) for any other complaint/query shall be 24 hours.
- f) Reports for performance, monitoring / usage to be submitted by the ISP on weekly or monthly basis or as per requirement of TELK.
- g) The bidder will provide the facilities to measure the above parameters at the TELK campus in Angamally South, Ernakulum, Kerala. The facility of measurement / monitoring of above parameters or graphical display will be provided by the bidder.

In case of the above parameters going out of specifications, TELK will be compensated adequately in respect of the extended time for the loss of hours in service. Also, if services are not found satisfactory, TELK reserves the right to cancel the contract.

### 10. Other Terms & Conditions

#### 1. Period of Contract

This contract commences from the date TELK accepts using Bidders internet services. This contract is for Two (2) years period from the date of commencement and can be extended for one more year at the same rate and terms & conditions subject to satisfactory performance during the contract period.

#### 2. Completion Period

The successful bidder should take all care to complete the awarded work within three (3) weeks from the date of issuance of LOI/Work Order. In case of any delay, TELK will have the right to recover by way of penalty @ 2.5% of the contract value per week beyond three weeks after PO, subject to maximum of 10% of the contract value (excluding taxes & duties). In case the delay exceeds 14 days TELK reserves the right to cancel the order and forfeit the Earnest Money Deposit (EMD) & PBG received from the bidder. However the tentative date to complete the work and to start the trial run is 25<sup>th</sup> March 2025.

#### 3. Rate of the Contract

The price quoted for the Installation & maintenance shall remain firm and valid for the whole contract period (2 Years) and extension period of one year.

No cost either on parts, software or for labour or for visit charges, or for any services for providing internet leased line will be paid extra. Everything has to be in built with the quoted cost of internet leased line.

## Scope of Work and Conditions of Contract

## 4. Rules &amp; Regulations

The bidder is bound to observe all the laws, rules, regulations, policies, procedures and guidelines of the Government of India as in force from time to time. Bidder would ensure that the local loop provisioning does not violate regulations as laid by Government of India/ TRAI in respect of such links/networks. Service Provider will be responsible for making all the payments towards the local loop charges/rentals, etc.

## 5. Performance Security

After the award of work, the supplier shall be required to submit the performance security within 21 days in the form of DD/Banker's cheque/bank guarantee issued by any Nationalized Bank/or Fixed Deposit Receipt, for an amount equal to 5% of order value, should remain valid for a period of sixty days beyond the date of completion of all contractual obligations of the supplier including warranty obligations. The contractor shall also enter into a contract agreement in Non – Judicial Stamp paper of value Rs. 200/- and the contractor shall bear the charges for executing the agreement with TELK, Angamaly within 15 days of date of award of contract

## 6. Delay in the Bidder's performance

If the supplier fails to deliver any or all of the goods or complete the installation within the period specified in the purchase order, TELK shall without prejudice to its other remedies, deduct as liquidated damage 2.5% of the price order value for every week subject to a maximum of 10% of the order value. The amount towards Liquidated Damage would be recovered while making the initial payment itself.

Undue delay by the Bidder in the performance of its contract obligations shall also render the Bidder liable to any or all of the following sanctions:

- i) Forfeiture of its security deposit.
- ii) Termination of the Contract for default.

## 7. Penalty Clause

In case of non-supply of goods/service after the acceptance of purchase order, Earnest Money Deposit and Performance Bank Guarantee will be forfeited of the defaulting bidder and the supply order shall be placed with the next bidder who has quoted the next lowest rates at the risk and cost of the defaulting bidder and difference, if any, between the total cost of the materials shall be chargeable to the defaulting bidder. In case the defaulting bidder fails to pay the differential cost, legal action shall be taken against the defaulting bidder.

Contractor should give uptime and availability guarantee of 99.5% across 24X7 on quarterly basis for all the services as per scope of work mentioned in the tender document.

Service shall be available with 99.5% uptime. Internet Service is considered to be disrupted if it is not available for more than 30 minutes. Down time allowed in a quarter is 4 hours maximum. TELK will impose a penalty at the rate of 2% of the value of the quarterly billing amount for every additional downtime hour (beyond 4 hours), subject to a maximum of 10% of the value of the quarterly billing amount.

## Exclusions:

Downtime due to following situations will not be considered for the purpose of calculation of penalty:

- i. Scheduled maintenance by service provider with prior intimation to TELK
- ii. Force majeure events

## Scope of Work and Conditions of Contract

## 8. Force Majeure

The contractor shall not be liable for penalty, liquidated damages or termination for default, if and to the extent that, his delay in performance or other failure to perform his obligations under the contract is the result of an event of Force Majeure.

## 9. Termination of Contract

TELK reserves the right to terminate the agreement/contract at any time by providing written notice of termination within 14 days. At the end of the contract period or in the event of termination/cancellation of the contract, the Contractor shall assist in smooth migration of the service.

TELK may, without prejudice to any other remedy for breach of contract by written notice of default sent to the contractor, terminate the contract in whole or in part, if the contractor fails to perform any other obligation(s) under the contract.

TELK reserves its right to terminate the contract in the event of contractors repeated failures to provide the services as per tender document.

## 10. Consequences of Termination

In the event the TELK terminates the Contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, Services similar to those undelivered, and the Contractor shall be liable to the TELK for any excess costs for such similar Services. Performance Bank Guarantee submitted by the contractor shall stand forfeited.

## 11. GST and Statutory Deductions

- i) The rate quoted shall be exclusive of GST and applicable GST will be paid extra on producing documentary evidence.
- ii) The contractor shall be a registered person under GST and shall issue B2B invoices for the supply/contract. The contractor shall be regular in filing of GST returns and in case of defaults; the GST will be retained to avoid ITC losses to TELK.
- iii) Statutory deductions like TDS as per section 194C of IT Act 1961 and TDS as per section 51 of GST Act will be deducted at applicable rates. Any other deductions wherever applicable will also be deducted from the bill of the contractor as per applicable rules.

## 12. Resolution of Disputes

The parties shall submit themselves to the exclusive jurisdiction of the Courts at Ernakulam in respect of a dispute arising out of this contract

13. TELK reserves the right to verify, modify, revise, amend or change any of the terms and conditions mentioned above or to reject any or all the tender/s without assigning any reason whatsoever thereof or may terminate the tender process midway without assigning any reason.

Authorized signatory with seal

**TRANSFORMERS AND ELECTRICALS KERALA LIMITED**

(A Joint Venture of GOVERNMENT OF KERALA & NTPC Limited)

**GENERAL TERMS & CONDITIONS**

1. **Mode of submission of tender :** The offers shall be submitted online (through Kerala Govt. e-tender portal ([www.etenders.kerala.gov.in](http://www.etenders.kerala.gov.in)) or offline (in sealed cover only) as specified in the Notice Inviting Tender (NIT). The bidders shall submit the bids well in advance before the prescribed due date and time.
2. The tenders shall be submitted in single cover system or two cover system as specified in the NIT. For two cover system, Technical Bid and Price Bid are separate. First cover is Technical Bid which shall contain all Technical particulars, Un-priced commercial terms & conditions etc. necessary for the technical evaluation of the tender. Second cover shall contain only the Price Bid. Price bid shall be submitted in the prescribed BOQ (Bill Of Quantity) format through the portal only in the case of e-tender. The bidders shall submit/upload all the tender documents along with the technical bid (Cover-1) with signature and stamp of the bidder. In case of any deviations/comments/additional information the same shall be submitted/uploaded by the Bidders as a separate document along with the technical bid.
3. **Fixed Price :** Bidder shall quote only Fixed Rate/Price which shall not be subject to any escalation whatsoever during the period of Bid Validity and completion of Supply/Execution of the Contract. Any Bid with adjustable or price variation clause shall be treated as 'Non-Responsive' and liable to be rejected unless price variation clause is specified and accepted by the Buyer. Quoted Unit Rate will only be considered as correct and valid, which shall be taken for further consideration.
4. **Tender Fee & EMD :** Tender Fee & EMD shall be paid if specified in the tender documents by means of separate Demand Drafts drawn in favour of "TELK, Angamaly" in the case of offline tenders and only through the e-tender portal in the case of online tenders. EMD of successful bidder will be refunded as per the terms and conditions of the tender/contract. EMD of the unsuccessful bidders will be refunded immediately after awarding of the contract to the successful bidder. The bids shall be submitted well in advance to avoid delays if any for NEFT transfer, which may lead to rejection of the bid. PSUs, Govt. undertakings and vendors with the valid MSME certificate are exempted from paying tender fee & EMD and may avail the exemption route while participating in the online tender by uploading the relevant valid documents/MSME certificate. Tender fee is not refundable.
5. **Taxes and Duties :** All Taxes/Duties if any, payable extra over and above the quoted rate, shall be specifically indicated in the Un-Priced Bid, failing which the quoted rates will be considered as "all inclusive". Offer shall carry clear details of HSN code and applicable rates of CGST/IGST/SGST. Invoice shall be submitted in triplicate and shall be in conformance with the format specified as per GST ACT 2017.
6. **Terms of payment :** Please refer Clause No. 6 of Annexure 1
7. Evaluation of the Offers will be on "**To-Door Cost at TELK, Angamaly**" based on NET Cash outflow of TELK.
8. For technical qualification, TELK will be evaluating bidder's capability to execute the supply/contract, past performance references and commercial terms conditions offered.
9. In case the lowest bidder (L1) is not a registered / approved supplier of TELK, Angamaly, they will be allowed to supply the items only after evaluation by TELK authorities and enlisting as approved/registered supplier. They shall submit duly filled vendor capability report/supplier registration requisition form available in our website [www.telk.com](http://www.telk.com).
10. In case L1 is a new supplier to TELK, L2 may also be considered in order to meet urgent requirements.

TRANSFORMERS AND ELECTRICALS KERALA LTD.

-2-

11. TELK has the right to split the order quantities in appropriate ratios to various parties to meet the delivery requirements.
12. **Publicity** : Any publicity by the Vendor in which the name of TELK is to be used should be done only with the explicit written permission of TELK, Angamaly.
13. All applicable statutory deductions like TDS will be deducted from the bill of the supplier/contractor.
14. **Jurisdiction** : Any dispute arising out of this contract will be subject to the sole jurisdiction of courts having jurisdiction over the area in which our factory situates.
15. Transit insurance for the materials in the scope of supply shall be arranged by the supplier/contractor.
16. **RIGHT TO ACCEPT OR REJECT THE TENDERS:**
  - a) The right to accept the tender in full or in part/parts will rest with TELK.
  - b) Tenders not accompanied with prescribed information or are incomplete in any respect, and/or not meeting prescribed conditions, shall be considered as non-responsive and are liable to be rejected.
  - c) TELK reserves the right to accept or reject any bid or a part of the bid or to annul the bidding process and reject all bids, at any time prior to award of contract without assigning any reason whatsoever and without thereby incurring any liability to the affected bidder or bidders on the grounds for the Buyer's action.
  - d) If the bidder gives wrong information in his tender, TELK reserves the right to reject such tender at any stage or to cancel the contract.
  - e) TELK reserves the right to reject the bid of parties who have failed to meet contractual delivery/provide adequate after sales support for the products supplied/contracts executed against earlier orders.

**Important Notice**

17. Bidder is requested to furnish all the details called for in the tender. In case any required data/information is/are not furnished in the offer, Purchaser reserves the right to assume the same for the purpose of evaluation/comparison and decide the Tender accordingly.
18. In case special conditions are mentioned in the tender documents, the same shall prevail over the General Terms & Conditions.
19. **Risk Purchase** : We reserve the right to execute the contract from elsewhere at your risk and cost in the event of failure to execute the contract within the stipulated time.
20. **GST & Statutory deductions :**
  - i) The rate quoted shall be exclusive of GST and applicable GST will be paid extra on producing documentary evidence.
  - ii) The contractor shall be a registered person under GST and shall issue B2B invoices for the supply/contract. The contractor shall be regular in filing of GST returns and in case of defaults; the GST will be retained to avoid ITC losses to TELK.
  - iii) Statutory deductions like TDS as per section 194C of IT Act 1961 and TDS as per section 51 of GST Act will be deducted at applicable rates. Any other deductions wherever applicable will also be deducted from the bill of the contractor as per applicable rules.
